The order sought to be amended by the Agent was passed on a consideration of all the circumstances brought to notice now by him. As the wood we kind has been ordered to be supplied to the malt to the extent hitherto being supplied to it, the malt will have no grievance. So this may of appl be filed. [The order, draft of which is subs in file No 239-11, if approved, will decide the matter one way].

29/3/13

The malt cannot have any reasonable grievance so long as the Sandal wood it is entitled to is granted to it. There is no doubt some amount of delay in giving effect to the G.O though it is not known all the difficulties are removed

Sir.

I am directed by His Highness the Maharaja Swamy of Sree Raghavendra Mutt at Nanjangud, to acknowledge with thanks The receipt of Govt Proceedings No 929-40 Mugaroy 157-0 Dated 29th October 1911 — Passing orders regarding The supply of Sandalwood to The several Mugarai Institutions in The State

2 I beg to bring to your notice That The it is already upwards of five months. Since The above orders were passed no arrears of Sandalwood long due to our have yet been supplied

3. Para 4 of The above said proceedings directs That The Sandalwood required for The Institutions in list A Therein should be purchased by The Mugarai Dept. from The Forest Dept at rates to be fixed by Government for five years. at a time due provision for The cost Such Sandalwood being made in The Mugarai Budget as here to fore. This order has retarded The supply of The Sandalwood to Mutts Etc and is again The precedent and practice That existed prior to Rendition. Providing The cost

To i. Mugarai Budget

is unnecessary and was not done in the British Commission days. All that is now required is that such Sandalwood issued free of charge be treated as free-grants in the Forest Dept. Accounts. A reference to the accounts of the British Commission days will bear out our statement. It would suffice if the practice is allowed to continue, which saves all troubles and of increasing the Mugaraj Budget when the Grant of such Sandal-wood in kind is confirmed by the Inam Dept and sanctioned by the Govt no further Plus or Minus accounts are needed. Para 4 of the above proceedings requires modification to facilitate matters. I beg that you will kindly order the issue of the Sandalwood free of charge from the Sandal Department as was done prior to Rendition. When such free-grants allowed to be entered in the accounts by the British officers There is no trouble to continue the same practice by our benign Maharaja's native Government.

4. The Value of Sandalwood is fluctuating and varies every year. It is not supply to the Mugarai Dept but to different institutions. That Dept need not therefore purchase the wood and distribute that Department.

It only delays matters and troubles The accounts unnecessarily.

5. Under the foregoing circumstances I am directed to ~~solicit~~ solicit early orders in the matter modifying Para 4 of the above said Proceedings. Thereby allowing the free grant without further interference

I remain
Sir
your humble Servant.

[illegible]
Agent Sree Raghavendra Swamy Mutt.
